

## **AC Class of '72 - Then and Now**

**The pictures here are scans from our year-book next to current pictures taken from snapshots at recent reunions, or pictures that folks who were not able to participate, sent in. There are many gaps - it would be nice if you could help filling them in.**

**This document was originally assembled by the late Richard Kleinhenz and first released in Oct 2012.**

**In 12/07/12 it was revised to add Paul Kähler and update Margret von Dolwitz. May 2022, it has been updated again reflecting those we have lost.**

**For the June 2022 reunion I have redone the layout and broken the document into three parts:**

**those we have lost**

**those we have lost track of - OR  
we only have their yearbook images**

**those that have stayed in touch  
we have more recent images of them**

**If you have more recent images of any here, please forward them to me at [rjslade@rjslade.com](mailto:rjslade@rjslade.com) and I will update the entry**
