

AC Class of '72 – Then and Now

The pictures below are scans from our year-book next to current pictures taken from snapshots at recent reunions, or pictures that folks who were not able to participate sent to me. There are many gaps – it would be really nice if you could help filling them in. Please send a recent picture (high-resolution is OK) to me and I will update this file on Ross' website. My email is woodnpen@optonline.net. Also... if you'd like to send me a better shot than what I grabbed out of the reunion pictures I'll be glad to replace it!

Cheers!
